A Child & Teen Checkup is a preventative “well child” exam by your physician at your clinic. Child & Teen Checkup services are available to children and young adults under age 21, who are enrolled in Medical Assistance or Minnesota Care. Child & Teen checkups are fully covered by insurance. Before scheduling your child’s Child & Teen Checkup, verify that your clinic accepts your health plan provider.

If you have specific questions regarding your health care coverage please contact your health plan’s customer service office for assistance:

Tips for preparing to see the doctor for C&TC Physicals:

- ▶ When making an appointment, be sure to ask for a C&TC physical
- ▶ Take a copy of your child’s immunization records.
- ▶ Bring a list of medication your child is taking, including over the counter medicines.
- ▶ Make a list of questions you want to ask.
- ▶ Be prepared to talk about your family’s health history.
