Scott County Government Center  
Environmental Health Department  
200 Fourth Avenue West  
Shakopee MN 55379-1220

Name \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ Zip Code \_\_\_\_\_

Prices subject to change without further notice.

## RADON TEST KITS

Testing for radon is easy! And now you can save money by purchasing your test kits from the Scott County Environmental Health Department.

These radon detector kits meet Federal standards under the Radon Measurement Proficiency Program. Just follow the directions on the package. Mail the entire kit back to the manufacturer in the postage paid envelope provided. Analysis will be done at no extra charge. Note: The MN Department of Health (MDH) recommends that you use a long-term detector to obtain the most accurate results.

Remember that radon is the second leading cause of lung cancer in the United States. Testing for radon is important for your family's health and well being.

For more information on Radon, call or e-mail us at:
