### I-1 RURAL INDUSTRIAL DISTRICT

**Purpose:** This District is to allow industrial uses that are not water intensive and are compatible without municipal services in those areas having access to arterial roadways and/or rail transportation in locations specifically guided by the Scott County Comprehensive Plan.

#### District Performance Standards

- Platting Required:** No building or structure shall be constructed on unplatted, I-1 zoned property, except for the addition of accessory structures or additions to existing buildings.
- Lot Area:** A minimum of two and one-half (2.5) acres.
- Lot Width:** A minimum of two hundred (200) feet at the minimum front yard setback line and extending to the location of the principal structure.
- Front Yard Setback:** All structures - 150' from centerline of County/State Road or 100' from County/State Road Right-Of-Way, whichever is greater. 100' from Centerline of Local Public Street or 67' from Local Public Street Right-Of-Way, whichever is greater.
- Side Yard Setback:** All structures - 20' or height of the building, whichever is greater, or on corner lot see front yard setback. 150' from an existing rural residential, residential suburban, or urban expansion district.
- Rear Yard Setback:** All structures - 30'. 150' from an existing rural residential, residential suburban, or urban expansion district.

**No Structure shall be located in an easement, wetland, shoreland setback, or within the 100 year floodplain.**

**Structure Height Maximum:** 45'

**Impervious Surface Lot Coverage:** No more than 75% if the lot.

**Industrial Accessory Building Area and Height:** Buildings not exceeding 50% of the gross floor space of a principal building are allowed through an administrative permit. Larger industrial accessory buildings are allowed through a conditional use permit provided the accessory building does not exceed 70% of the gross floor space of the principal building. Accessory buildings shall not exceed the height of the principal building.
