

# Torrens Property List

*(THIS DOES NOT INDICATE A CERTIFICATION OF TORRENS PROPERTY.  
THIS IS TO BE USED FOR INFORMATION PURPOSES ONLY!)*

# Before you begin...

did you know that a lot can be both torrens and abstract?

NAME OF PLAT	BLOCK	LOT	OTHER
Deerfield	1	P/O 1, 2 & 5; 6-26	
	2	1; P/O 2 & 3; 4	
	3	1-6	
	4	1-10	
	5	1-7	

A "P/O" in front of a number or a letter indicates that particular lot is both **torrens** and **abstract**. In this instance *part of* Lots 1, 2, and 5 are **torrens** and the remaining part of Lots 1, 2, and 5 are **abstract**. Lots 6 through 26 are all torrens.

Because Lots 3 and 4 are abstract, they are not on this list. *(Remember this listing is of torrens property only. If a lot or block is not on this list, it is abstract.)*

NAME OF PLAT	BLOCK	LOT	OTHER
Belle Plaine	54	1-12+	
	55	1-6+; P/O 7-12+	
	58	1, 10-12	

A "+" indicates that there is additional torrens property (e.g., a vacated street or alley) somewhere in that particular lot/block.

31-115-21															X	X

Numbers within a quarter-quarter section indicate government lots.

Each small square represents 40 acres of land.

An "X" placed within a quarter-quarter section means that there is torrens land in that section. It does not necessarily mean the whole 40 acres is torrens.

*Numbers within a quarter-quarter section indicate government lots.  
 Quarters may indicate only a portion of that quarter is torrens:*
