**Sponsored by:** Minnesota Bureau of Criminal Apprehension and The Savage Police Department

A Threat Liaison Officer (TLO) is a specially trained individual within a Law Enforcement, Fire Service, or Emergency Management agency who is responsible for coordinating all-crimes, all-threats, and all-hazards information from their local agency to the Minnesota Fusion Center.

#### Duties/Responsibilities Covered:

- Identify terrorism related situations and share information related to potential terrorist activity with the Minnesota Fusion Center
- Identify possible crime trends within their jurisdiction and seek help from the Minnesota Fusion Center, working together for solutions.
- Serve as Point of contact for activity reports, tips and leads.
- The TLO position is a collateral duty, the TLO shall not independently investigate suspicious activity reports, tips or leads unless it is within their departmental duties to do so.
- Create a working relationship with the Minnesota Fusion Center to help facilitate the movement of terror/crime related information to and from the appropriate personnel.
- Disseminate terrorism/criminal related information and intelligence to personnel within their agencies in an efficient and lawful manner. The TLO is responsible for verifying that all personnel with whom they share terrorism/criminal related information have a valid need and right to know.
- Encourages advanced level TLO training courses as recommended and provided by the Minnesota Fusion Center.
